# Focus Men's Conference

Jan. 31 - Feb. 1, 2025

**Conference Speaker**  
**James Schick**  
Winter Haven, FL

If men are completely honest, most will admit they often feel confused, frustrated, unqualified and lonely as they navigate all that is expected of them in their families, churches and on the job. We believe that God speaks truth directly to those voids that men experience and this weekend is designed to give them time to FOCUS on Him. Every man who joins us can expect:

- Beautiful Camp Location
- Powerful Worship
- Dynamic Teaching
- Personal FOCUS Time
- Fellowship
- And Of Course.....Great Food!
